家长们、同学们、朋友们，作为爱迪学校的学术校长，我诚挚欢迎您来到爱迪！

爱迪学校创建于1999年，是中国国际教育的先行者之一，使得中国学生实现接受海外教育的梦想成为可能。在将近20年的教育实践中，爱迪培养出11000余名毕业生，展望未来，我们也将继续站在国际教育发展的最前沿。

爱迪始终致力于把最好的国际教育带到中国，使中国的学生不出国门就能接受到优质的教育，为他们将来的海外学习生活做好准备。伴随着世界的全球化进程，学生的国际视野变得前所未有的重要，这会使他们在未来更具竞争优势，取得更大的成功机会。

我们相信只有因材施教才能将教育的作用最大化，这是爱迪教育的一个基本理念。除了开展高质量的教学课程以外，我们明白要提供定制化教育，必须首先了解每个学生，既知道他们的天赋和兴趣所在，也要了解什么是他们的优势和不足，以便有针对性的进行培养。为了能做到这一点，爱迪一直保持着绝佳的师生比例，这样才能确保每个学生都得到老师的充分关注和他们所需的特别的帮助，接受最好的教育。

我们另一个核心教育理念是培养世界公民，赋予爱迪学生在世界上任何国家，不同文化中成功的生活，学习和工作的能力。这是学生理解全球关系和文化，取得持续的成功所必备的素质。与此同时，我们也坚信爱迪的学生应当拥有非常强的文化认同感，为自己身上流淌着中国的血脉而自豪，中国是他们的根，也是他们青少年时期度过美好时光的爱迪校园的所在地。

多年的教学成果证明爱迪学子不仅拥有超强的学术成就，在创造力、音乐、体育和艺术等方面同样令人惊艳。我们致力于培养兴趣丰富，举止文雅，具有高度社会责任感，全面发展的学生。爱迪有种类众多的学生主办和师生共建的社团，涉及公益、环保、商业、科学、艺术等多种主题。

爱迪多年的办学积淀，以及一直致力于打造中国教育行业排头兵的努力得到了国内外教育界的褒奖和肯定。在爱迪，我们为我们的学校自豪，为我们能够为学生提供优质的教育和众多的机会而自豪！我非常期待并且欢迎您加入爱迪！

Parents, students and friends, as Academic Headmaster, I welcome you to Aidi School!

With a history dating back to 1999, Aidi is one of the original pioneers of international education in China, making it possible for Chinese students to realize their dreams of overseas education. Almost 20 years and more than 11,000 graduates later, I'm proud to say that we continue to be at the forefront of education.

Our vision at Aidi, has always been to bring the best international education programs to China and make them available to local students, preparing them for an international future. With the world becoming a more globalized place, our international vision of education is more important than ever, giving our students a competitive advantage and a greater chance of success in the future.

One of the cornerstones of Aidi's approach to education is the belief that to maximize the benefits of education, it has to be tailored to the individual. Apart from having a wide range of quality education programs, Aidi understands that to be able to provide such a tailored education product, you must first know each individual student; where their talents and interests lie, where their weaknesses need to be reduced and where their strengths need to be honed and built upon. To be able to achieve this, Aidi maintains an exceptional student to staff ratio, making sure that all students get the individual care and attention they need in order to get the best education possible.

Another core concept in our education philosophy is our focus on the creation of global citizens, students that can live, study, work and succeed in almost any country or culture on earth. However, whilst this is essential for the continued success of our students, and for improving global relations and cultural understanding, we also believe that our students should have a strong sense of cultural identity and be proud of their Chinese heritage. After all, China is where our students are from and it's also where our school, and its beautiful park-like campus, is proudly located.

Strong academics are important at Aidi , but so is creativity, music, sport and the arts. We aim to develop well-rounded students with fully-fledged, diverse interests, good manners and a realistic sense of social responsibility. To achieve this, we offer an exceptional range of special-interest and extracurricular activities, allowing students to try a multitude of different sports, arts and crafts, technology, music and other skills. We also have a large range of student and teacher-run clubs and societies, including charities, environmental awareness groups, entrepreneurial student businesses and various appreciation societies.

Thanks to our long history and the hard work we have put into making Aidi one of the top schools in China, I am happy to say that we receive a lot of recognition from both the local and international education community.

At Aidi, we are proud of our school and proud of the education and opportunities we provide to our students. I very much look forward to welcoming you to Aidi in the future.

At Aidi Junior High School, our holistic approach to education ensures that students grow into well-balanced individuals who can realise their full potential. While we highlight the importance of academic excellence, we also encourage our students to be curious and explore their own interests and passions. We provide students with a wide range of activities that allow them to discover their talents, to express themselves through creativity, to cultivate different interests, and to show their excellence through different competitions. We believe that providing students with opportunities to participate in such diverse activities will help them grow in confidence and deepen social interactions, as well as cultivate a lifelong interest in exploring their potential, and their world.
